**By completing and signing this form, utility services will be provided to a tenant/contract purchaser; however, the ordinances of the City of Park City provide that the property owner is responsible for all water and sanitation services provided to the owner's property, including rental properties or contract sale properties. In consideration for providing services to a tenant or contract purchaser of owner's property, the property owner agrees:**

1. To be responsible and pay for all utilities consumed on the above mentioned premises. This section also applies to rental property and contract sale property.

2. The meter furnished by the City is, and shall remain the property of the owner of the property, and the Utility's agents shall have access to the meter at all times to read, to repair, to lock off, seal or remove the same.
